

Administrative Skills for Union Secretariats Training Course

Professional Development Training Course Outline

Category	Trade Unions	Duration	5 Days
Base Fee	\$1,500 USD	Delivery Mode	Online / On-site Hybrid

Course Introduction

In today’s evolving labour relations ecosystem, Administrative Skills for Union Secretariats have become a critical driver of organizational efficiency, trade union governance, digital transformation, and worker advocacy excellence. Union secretariats are increasingly expected to operate with high levels of administrative precision, compliance awareness, strategic communication, and data-driven decision-making. This training equips participants with modern tools and methodologies to strengthen union administration, membership coordination, documentation management, and institutional accountability in a rapidly changing industrial landscape.

Administrative Skills for Union Secretariats Training Course is designed to build advanced capacity in secretariat operations, industrial relations management, digital office systems, and strategic labour leadership support. Participants will gain practical skills in records management, meeting administration, financial tracking, stakeholder communication, and governance compliance frameworks. The program emphasizes real-world application, ensuring union administrators can effectively support collective bargaining processes, improve service delivery, and enhance trade union effectiveness, transparency, and organizational resilience

Programme Curriculum

Administrative Skills for Union Secretariats Training Course

Introduction

In today’s evolving labour relations ecosystem, Administrative Skills for Union Secretariats have become a critical driver of organizational efficiency, trade union governance, digital transformation, and worker advocacy excellence. Union secretariats are increasingly expected to operate with high levels of administrative precision, compliance awareness, strategic communication, and data-driven decision-making. This training equips

participants with modern tools and methodologies to strengthen union administration, membership coordination, documentation management, and institutional accountability in a rapidly changing industrial landscape.

Administrative Skills for Union Secretariats Training Course is designed to build advanced capacity in secretariat operations, industrial relations management, digital office systems, and strategic labour leadership support.
