

Conflict Leadership in Trade Unions Training Course

Professional Development Training Course Outline

Category	Trade Unions	Duration	5 Days
Base Fee	\$1,500 USD	Delivery Mode	Online / On-site Hybrid

Course Introduction

Conflict is an inevitable and defining feature of trade union environments, where competing interests between workers, employers, and policy frameworks often collide. Effective Conflict Leadership in Trade Unions is therefore essential for sustaining industrial harmony, strengthening collective bargaining power, and ensuring that disputes are managed constructively rather than destructively. Conflict Leadership in Trade Unions Training Course is designed to participants with advanced negotiation, mediation, and conflict transformation skills needed in today's evolving labour landscape.

In an era of rising labour disputes, workplace rights activism, gig economy tensions, and globalization of workforces, trade union leaders must master strategic conflict leadership approaches that promote dialogue, reduce strikes, and enhance social partnership. The course integrates labour relations theory, emotional intelligence, dispute resolution mechanisms, and strategic leadership tools to build resilient leaders capable of managing complex industrial relations challenges.
