

Managing Workplace Conflict and Disputes Training Course

Professional Development Training Course Outline

Category	Trade Unions	Duration	5 Days
Base Fee	\$1,500 USD	Delivery Mode	Online / On-site Hybrid

Course Introduction

Workplace conflict and disputes are inevitable in today’s fast-paced, hybrid, and highly diverse organizational environments. From generational differences and communication breakdowns to remote team misunderstandings and leadership misalignment, unresolved conflict can significantly reduce productivity, increase employee turnover, and damage organizational culture. Managing Workplace Conflict and Disputes Training Course is designed to equip professionals with advanced conflict resolution strategies, emotional intelligence skills, negotiation techniques, and workplace mediation frameworks that transform tension into collaboration and growth.

This course integrates modern approaches such as restorative communication, interest-based negotiation, de-escalation techniques, and conflict analytics. Participants will learn how to identify root causes of disputes, apply structured resolution models, and foster a culture of trust, accountability, and high performance. The program is practical, case-driven, and aligned with global best practices in HR management, organizational behavior, and leadership development.

Programme Curriculum

Managing Workplace Conflict and Disputes Training Course

Introduction

Workplace conflict and disputes are inevitable in today’s fast-paced, hybrid, and highly diverse organizational environments. From generational differences and communication breakdowns to remote team misunderstandings and leadership misalignment, unresolved conflict can significantly reduce productivity, increase employee turnover, and damage organizational culture. Managing Workplace Conflict and Disputes Training Course is designed to equip professionals with advanced conflict resolution strategies, emotional intelligence skills, negotiation techniques, and workplace mediation frameworks that transform tension into

collaboration and growth.

This course integrates modern approaches such as restorative communication, interest-based negotiation, de-escalation techniques, and conflict analytics. Participants will learn how to identify root causes of disputes, apply structured resolution models, and foster a culture of trust, accountability, and high performance. The program is practical, case-driven, and aligned with global best practices in HR management, organizational behavior, and leadership development.
