

Microfinance Business Plan Design Workshop Training Course

Professional Development Training Course Outline

Category	Microfinance & Financial Inclusion	Duration	5 Days
Base Fee	\$1,500 USD	Delivery Mode	Online / On-site Hybrid

Course Introduction

Microfinance Business Plan Design Workshop Training Course equips participants with practical skills to develop robust business plans tailored to microfinance institutions. Business planning is essential for strategic growth, operational efficiency, and securing funding from donors and investors. This workshop emphasizes integrating market research, financial projections, operational strategies, and risk management into a coherent and actionable business plan.

Participants will engage in hands-on exercises, collaborative workshops, and case studies to create, analyze, and present business plans. The course provides frameworks and tools to ensure that business plans are realistic, financially sound, and aligned with organizational goals for sustainable growth and impact in financial inclusion.
