

PR Coordination for Customer-Facing Crises Training Course

Professional Development Training Course Outline

Category	Customer Service and Customer Experience	Duration	5 Days
Base Fee	\$1,500 USD	Delivery Mode	Online / On-site Hybrid

Course Introduction

In today’s hyper-connected digital landscape, a single customer-facing crisis can escalate within minutes, impacting brand reputation and stakeholder trust. PR Coordination for Customer-Facing Crises Training Course equips professionals with strategic crisis communication, reputation management, and real-time response skills essential for navigating high-pressure scenarios. Participants will gain hands-on experience in media relations, social listening, and customer engagement, ensuring they can effectively mitigate reputational damage while maintaining brand loyalty.

Through practical frameworks, real-world case studies, and interactive simulations, this training emphasizes proactive crisis planning, cross-functional coordination, and data-driven decision-making. By mastering these competencies, participants will emerge as confident, agile communicators capable of safeguarding their organizations during customer-centric disruptions, ensuring business continuity and enhanced stakeholder confidence.
