| Base Fee | \$1,500 USD           | Delivery Mode | Online / On-site Hybrid |

## Course Introduction

### Introduction

This comprehensive training course on Risk Governance and Oversight for Cooperative Directors is meticulously designed to equip board members with the essential knowledge, strategic frameworks, and practical tools to effectively identify, assess, monitor, and mitigate risks facing their cooperative organizations. Participants will delve into the unique risk landscape of cooperatives, understanding how operational, financial, compliance, strategic, and reputational risks can impact member value and long-term sustainability. Emphasizing the board's fiduciary duty and governance responsibilities in risk management, this program is crucial for fostering a resilient, well-protected, and trustworthy cooperative enterprise that can navigate complex challenges with confidence.

In today's volatile and interconnected world, robust risk governance is not merely a compliance checklist but a strategic imperative for the enduring success of any cooperative. Training Course on Risk Governance and Oversight for Cooperative Directors empowers directors to move beyond reactive crisis management to proactive enterprise risk management (ERM). Through a combination of interactive workshops, best practice sharing, and real-world cooperative case studies, attendees will gain proficiency in developing a risk-aware culture, establishing effective risk appetite frameworks, overseeing internal controls, and ensuring transparent reporting on risk exposures. This proactive approach safeguards the cooperative's assets, protects its reputation, and reinforces its commitment to responsible stewardship on behalf of its members.

This comprehensive training course on Risk Governance and Oversight for Cooperative Directors is meticulously designed to equip board members with the essential knowledge, strategic frameworks, and practical tools to effectively identify, assess, monitor, and mitigate risks facing their cooperative organizations. Participants will delve into the unique risk landscape of cooperatives, understanding how operational, financial, compliance, strategic, and reputational risks can impact member value and long-term sustainability. Emphasizing the board's fiduciary duty and governance responsibilities in risk management, this program is crucial for fostering a resilient, well-protected, and trustworthy cooperative enterprise that can navigate complex challenges with confidence.

In today's volatile and interconnected world, robust risk governance is not merely a compliance checklist but a strategic imperative for the enduring success of any cooperative. Risk Governance and Oversight for Cooperative Directors Training Course empowers directors to move beyond reactive crisis management to proactive enterprise risk management (ERM). Through a combination of interactive workshops, best practice sharing, and real-world cooperative case studies, attendees will gain proficiency in developing a risk-aware culture, establishing effective risk appetite frameworks, overseeing internal controls, and ensuring transparent reporting on risk exposures. This proactive approach safeguards the cooperative's assets, protects its reputation, and reinforces its commitment to responsible stewardship on behalf of its members.

### **Course duration**

5 Days

### **Course Objectives**

1. Master Cooperative Risk Governance Frameworks: Comprehend and apply integrated risk management models specifically adapted for cooperative governance.
2. Define the Board's Role in Risk Oversight: Clarify the fiduciary duties and strategic responsibilities of directors in enterprise risk management.
3. Identify and Categorize Cooperative Risks: Develop skills in pinpointing operational, financial, strategic, reputational, compliance, and emerging risks unique to cooperatives.
4. Assess and Prioritize Risk Exposures: Utilize tools and methodologies for risk assessment, impact analysis, and likelihood determination.
5. Develop Risk Appetite Statements: Guide the cooperative in defining its acceptable level of risk-taking aligned with its mission and values.
6. Implement Effective Internal Controls: Understand and oversee the design and functioning of robust internal control systems to mitigate risks.
7. Monitor and Report on Key Risks: Establish transparent and timely reporting mechanisms to the board and relevant stakeholders on risk status.
8. Navigate Regulatory Compliance Risks: Understand and ensure adherence to evolving regulatory requirements that impact cooperative operations and governance.
9. Address Cybersecurity and Data Privacy Risks: Equip the board to oversee strategies for protecting digital assets and member data from cyber threats.
10. Manage Strategic Risks and Emerging Threats: Develop foresight in identifying and preparing for future-oriented risks (e.g., climate change, technological disruption).
11. Foster a Risk-Aware Culture: Champion an organizational environment where risk management is everyone's responsibility, from board to front-line staff.
12. Develop Crisis Management and Business Continuity Oversight: Guide the cooperative in preparing for, responding to, and recovering from significant adverse events.
13. Integrate ESG Risks into Governance: Understand how Environmental, Social, and Governance (ESG) factors present new categories of risk requiring board oversight.

### **Organizational Benefits**

1. Enhanced Risk Mitigation: Proactive identification and management of potential threats.
2. Improved Strategic Decision-Making: Risk insights inform more robust and resilient strategies.
3. Increased Organizational Resilience: Ability to withstand and recover from adverse events.
4. Strengthened Financial Stability: Protection of assets and reduced potential for financial losses.
5. Greater Regulatory Compliance: Reduced exposure to fines, penalties, and legal action.
6. Enhanced Reputation and Member Trust: Demonstrating responsible stewardship builds confidence.
7. Optimized Resource Allocation: Resources are directed to address the most critical risks.
8. Better Crisis Preparedness: Structured plans for responding to unexpected events.
9. Competitive Advantage: A robust risk management framework differentiates the cooperative.
10. Sustainable Long-Term Growth: Effective risk oversight ensures enduring viability and success.

## **Target Participants**

- Cooperative Board Members
- Board Chairs and Vice-Chairs
- Cooperative CEOs and General Managers
- Human Resources Directors and Managers
- Governance Professionals
- Internal Auditors
- Aspiring Cooperative Leaders

## **Course Outline**

### **Module 1: Understanding Risk Governance in Cooperatives**

- Defining Risk Governance: Beyond management – the Board's strategic role.
- The Unique Risk Landscape of Cooperatives: Member-centricity, democratic control, values-driven context.
- The Board's Fiduciary Duty and Risk Oversight: Legal and ethical obligations of directors.
- Key Principles of Good Risk Governance: Responsibility, transparency, accountability.
- Case Study: A Cooperative Board's Failure to Oversee Emerging Market Risks.

### **Module 2: Introduction to Enterprise Risk Management (ERM) for Boards**

- What is ERM? A holistic approach to risk management across the organization.
- Components of an ERM Framework: Strategy, risk identification, assessment, response, monitoring.
- The Board's Role in Setting Risk Appetite: Defining the acceptable level of risk-taking.
- Integrating ERM with Strategic Planning: Risk as part of strategic decision-making.
- Case Study: A Cooperative Implementing a New ERM Framework Across All Departments.

### **Module 3: Identifying and Categorizing Cooperative Risks**

- Operational Risks: Process failures, human error, system breakdowns.
- Financial Risks: Credit, market, liquidity, interest rate risks.
- Compliance and Regulatory Risks: Non-adherence to laws, bylaws, and policies.
- Strategic Risks: Market shifts, competition, technological disruption, political changes.
- Case Study: Identifying Risks Associated with a Cooperative's Expansion into a New Geographic Market.

## **Module 4: Assessing and Prioritizing Risks**

- Risk Assessment Methodologies: Qualitative vs. Quantitative approaches.
- Risk Matrix: Impact vs. Likelihood: Prioritizing risks visually.
- Developing Risk Registers: Documenting identified risks and their attributes.
- Heat Maps for Risk Visualization: Communicating risk profiles to the board.
- Case Study: A Board Reviewing the High-Priority Risks on its Updated Risk Register.

## **Module 5: Risk Response Strategies and Internal Controls Oversight**

- Risk Response Options: Avoidance, Reduction, Sharing/Transferring, Acceptance.
- The Board's Role in Overseeing Internal Controls: Design, implementation, and effectiveness.
- Types of Internal Controls: Preventive, detective, corrective.
- Monitoring Internal Control Effectiveness: Role of audit committees and internal audit.
- Case Study: Reviewing Internal Controls to Prevent Financial Fraud in a Cooperative.

## **Module 6: Regulatory and Compliance Risk Oversight**

- Understanding Sector-Specific Regulations: Financial, agricultural, energy, housing, etc.
- Monitoring Regulatory Changes: Staying abreast of new laws and compliance requirements.
- Board's Role in Compliance Programs: Establishing policies and fostering a compliance culture.
- Reporting Regulatory Breaches and Non-Compliance: Protocols and responsibilities.
- Case Study: A Financial Cooperative Board Overseeing New AML/CFT Compliance Requirements.

## **Module 7: Cybersecurity and Data Privacy Risk Governance**

- The Board's Role in Cyber Risk Management: Setting strategy, allocating resources.
- Key Cybersecurity Threats for Cooperatives: Data breaches, ransomware, phishing.
- Data Privacy Regulations (e.g., GDPR, CCPA): Board's oversight of compliance.
- Incident Response Planning for Cyber Events: Board's role in crisis communication.
- Case Study: A Cooperative Board Approving a Major Investment in Cybersecurity Infrastructure.

## **Module 8: Reputational and Social Risk Management**

- Emerging Technologies and Risk: AI, blockchain, automation – new opportunities and threats.
- Geo-Political and Macroeconomic Risks: Impact of global events on local cooperatives.
- Interconnectedness of Risks: Understanding systemic risks.
- The Evolving Role of the Board in a Complex Risk Environment: Agility and foresight.
- Case Study: A Board Preparing for the Potential Risks and Opportunities of Artificial Intelligence Adoption.

## **Training Methodology**

This course employs a participatory and hands-on approach to ensure practical learning, including:

- Interactive lectures and presentations.
- Group discussions and brainstorming sessions.
- Hands-on exercises using real-world datasets.
- Role-playing and scenario-based simulations.

- Analysis of case studies to bridge theory and practice.
- Peer-to-peer learning and networking.
- Expert-led Q&A sessions.
- Continuous feedback and personalized guidance.

### Certification

*Upon successful completion of this training, participants will be issued with a globally- recognized certificate.*

### Tailor-Made Course

*We also offer tailor-made courses based on your needs.*

### Key Notes

- The participant must be conversant with English.
- Upon completion of training the participant will be issued with an Authorized Training Certificate
- Course duration is flexible and the contents can be modified to fit any number of days.
- The course fee includes facilitation training materials, 2 coffee breaks, buffet lunch and A Certificate upon successful completion of Training.
- One-year post-training support Consultation and Coaching provided after the course.
- Payment should be done at least a week before commence of the training, to Fineskill Training Center account, as indicated in the invoice so as to enable us prepare better for you.

## Upcoming Scheduled Sessions

| Start Date  | End Date    | Location | Price   |
|-------------|-------------|----------|---------|
| 21 Sep 2026 | 25 Sep 2026 | Online   | \$1,000 |
| 21 Sep 2026 | 25 Sep 2026 | Physical | \$1,500 |
| 21 Sep 2026 | 25 Sep 2026 | Physical | \$0     |
| 21 Sep 2026 | 25 Sep 2026 | Physical | \$0     |

| Start Date  | End Date    | Location | Price |
|-------------|-------------|----------|-------|
| 21 Sep 2026 | 25 Sep 2026 | Physical | \$0   |
| 21 Sep 2026 | 25 Sep 2026 | Physical | \$0   |
| 21 Sep 2026 | 25 Sep 2026 | Physical | \$0   |
| 21 Sep 2026 | 25 Sep 2026 | Physical | \$0   |
