

Social Enterprise Models in Microfinance Training Course

Professional Development Training Course Outline

Category	Microfinance & Financial Inclusion	Duration	5 Days
Base Fee	\$1,500 USD	Delivery Mode	Online / On-site Hybrid

Course Introduction

Social Enterprise Models in Microfinance Training Course equips participants with the knowledge and practical skills to design, implement, and manage social enterprise initiatives within microfinance institutions. Social enterprise models help MFIs achieve both financial sustainability and social impact by integrating innovative business strategies with their mission of financial inclusion. This course emphasizes understanding different models, assessing feasibility, and creating scalable strategies that balance social objectives with revenue generation.

Participants will engage in interactive workshops, real-world case studies, and hands-on exercises to explore social enterprise frameworks, evaluate business opportunities, and develop strategies for operational and financial sustainability. By the end of the course, participants will be able to design and manage social enterprise initiatives that drive impact, expand outreach, and enhance organizational growth.

Programme Curriculum

Social Enterprise Models in Microfinance Training Course

Introduction

Social Enterprise Models in Microfinance Training Course equips participants with the knowledge and practical skills to design, implement, and manage social enterprise initiatives within microfinance institutions. Social enterprise models help MFIs achieve both financial sustainability and social impact by integrating innovative business strategies with their mission of financial inclusion. This course emphasizes understanding different models, assessing feasibility, and creating scalable strategies that balance social objectives with revenue generation.

Participants will engage in interactive workshops, real-world case studies, and hands-on exercises to explore social enterprise frameworks, evaluate business opportunities, and develop strategies for operational and financial sustainability. By the end of the course, participants will be able to design and manage social enterprise initiatives that drive impact, expand outreach, and enhance organizational growth.
