

Strategic Leadership for Trade Union Officials Training Course

Professional Development Training Course Outline

Category	Trade Unions	Duration	10 Days
Base Fee	\$3,000 USD	Delivery Mode	Online / On-site Hybrid

Course Introduction

Strategic Leadership for Trade Union Officials Training Course equips trade union officials with advanced competencies in strategic negotiation, industrial relations management, policy influence, and organizational leadership to effectively represent workers in both formal and informal sectors. In today's dynamic economy shaped by digital transformation, gig economy expansion, labor law reforms, and globalization, union leaders must adopt modern leadership strategies that enhance worker protection, social dialogue, and sustainable employment systems.

This training emphasizes practical, real-world application of leadership principles through case-based learning, simulations, and peer-to-peer engagement. Participants will develop strong capabilities in conflict resolution, stakeholder engagement, labor rights advocacy, and strategic decision-making. The program also integrates emerging trends such as decent work agenda, ESG labor standards, social justice movements, and inclusive economic development, ensuring trade union officials remain relevant, influential, and effective in shaping labor policies and defending workers' rights at local, national, and international levels.
