

Tax Administration: Revenue Authority Procedures Training Course

Professional Development Training Course Outline

Category	Taxation and Revenue	Duration	5 Days
Base Fee	\$1,500 USD	Delivery Mode	Online / On-site Hybrid

Course Introduction

Tax Administration: Revenue Authority Procedures course provides participants with a comprehensive understanding of how revenue authorities operate, including their processes for assessment, collection, compliance monitoring, and enforcement. Participants will gain insights into administrative procedures, audit processes, dispute handling, and reporting requirements, enabling them to navigate interactions with tax authorities effectively.

The course also emphasizes strategies for compliance, risk management, and minimizing disputes, while promoting transparency and adherence to regulatory frameworks. Through case studies, practical exercises, and simulations, participants will develop skills to manage revenue authority procedures confidently and maintain organizational compliance.

Programme Curriculum

Tax Administration: Revenue Authority Procedures Training Course

Introduction

Tax Administration: Revenue Authority Procedures course provides participants with a comprehensive understanding of how revenue authorities operate, including their processes for assessment, collection, compliance monitoring, and enforcement. Participants will gain insights into administrative procedures, audit processes, dispute handling, and reporting requirements, enabling them to navigate interactions with tax authorities effectively.

The course also emphasizes strategies for compliance, risk management, and minimizing disputes, while promoting transparency and adherence to regulatory frameworks. Through case studies, practical exercises, and simulations, participants will develop skills to manage revenue authority procedures confidently and

maintain organizational compliance.
