

Training Course on Human Resource Policies for Productivity Improvement

Professional Development Training Course Outline

Category	Human Resource Management	Duration	10 Days
Base Fee	\$3,000 USD	Delivery Mode	Online / On-site Hybrid

Course Introduction

In today’s dynamic and competitive business environment, Human Resource (HR) policies play a critical role in driving organizational productivity, performance, and employee satisfaction. Effective HR policies ensure that employees are well-informed, engaged, and aligned with company goals. Training Course on Human Resource Policies for Productivity Improvement is designed to equip HR professionals, managers, and organizational leaders with practical strategies, compliance knowledge, and innovative tools to maximize workforce efficiency.

As businesses shift towards a more agile and employee-centric model, mastering modern HR frameworks, employee engagement tactics, performance management systems, and compliance strategies is essential. Participants will gain insights into policy formulation, conflict resolution, remote work protocols, diversity and inclusion practices, and HR metrics that measure performance. This course uses real-world case studies, simulations, and interactive tools to enhance learning and applicability.

Programme Curriculum

Training Course on Human Resource Policies for Productivity Improvement

Introduction

In today’s dynamic and competitive business environment, Human Resource (HR) policies play a critical role in driving organizational productivity, performance, and employee satisfaction.

Effective HR policies ensure that employees are well-informed, engaged, and aligned with company goals. Training Course on Human Resource Policies for Productivity Improvement is designed to equip HR professionals, managers, and organizational leaders with practical strategies, compliance knowledge, and innovative tools to maximize workforce efficiency.

As businesses shift towards a more agile and employee-centric model, mastering modern HR frameworks, employee engagement tactics, performance management systems, and compliance strategies is essential. Participants will gain insights into policy formulation, conflict resolution, remote work protocols, diversity and inclusion practices, and HR metrics that measure performance. This course uses real-world case studies, simulations, and interactive tools to enhance learning and applicability.

Course Objectives

1. Understand the fundamentals of HR policy formulation.
2. Develop skills in employee engagement and workforce motivation.
3. Implement data-driven HR strategies for productivity.
4. Integrate diversity, equity, and inclusion (DEI) into HR policies.
5. Enhance performance appraisal systems for higher accountability.
6. Align HR practices with business objectives.
7. Manage remote and hybrid work environments effectively.
8. Ensure compliance with labor laws and ethical standards.
9. Identify and resolve workplace conflicts using policy tools.
10. Utilize HR analytics and KPIs for continuous improvement.
11. Create onboarding and offboarding procedures to boost productivity.
12. Design training and development programs linked to performance.
13. Foster a culture of accountability and transparency through HR governance.
