

Training Course on Managing Workplace Conflict

Professional Development Training Course Outline

Category	Development	Duration	10 Days
Base Fee	\$3,000 USD	Delivery Mode	Online / On-site Hybrid

Course Introduction

In today’s fast-evolving business environment, strategic learning and development (L&D) has become a cornerstone of sustainable organizational growth, workforce innovation, and competitive advantage. As companies strive to remain agile, the integration of future-focused L&D strategies plays a crucial role in empowering employees, upskilling leadership, and aligning human capital with corporate vision. Training Course on Strategic Learning and Development for Organizational Growth is designed to equip professionals and organizations with cutting-edge tools and actionable insights to craft and implement impactful L&D strategies that drive long-term success.

Whether you're an HR professional, a business leader, or a training manager, this course offers a comprehensive framework to harness the full potential of learning systems and performance development models. Participants will explore key concepts such as learning agility, competency mapping, reskilling and upskilling, and measurable training ROI, ensuring alignment between employee growth and business performance. By the end of this course, you will be empowered to design strategic L&D initiatives that are scalable, relevant, and future-ready.

Programme Curriculum

Training Course on Managing Workplace Conflict

Introduction

In today's fast-paced, high-pressure work environments, managing workplace conflict is not just a desirable skill—it's an essential leadership competency. Conflict, if left unchecked, can disrupt productivity, damage team relationships, and lower employee morale. However, when approached

with the right strategies and communication tools, conflict can lead to innovation, stronger collaboration, and increased employee engagement. Training Course on Managing Workplace Conflict equips professionals, team leaders, and HR specialists with the practical skills and confidence to handle conflicts effectively and constructively.

Through interactive, research-backed, and scenario-based learning, participants will explore the root causes of conflict, emotional intelligence in conflict resolution, and methods for facilitating difficult conversations. Whether you're facing miscommunication, cultural differences, or competing priorities, this course will empower you to foster a positive work culture by resolving disputes with professionalism and empathy. This is your go-to resource for mastering conflict de-escalation, improving team dynamics, and boosting overall organizational performance.

Course Objectives:

By the end of this course, learners will be able to:

1. Identify and analyze common causes of workplace conflict.
2. Apply conflict resolution strategies to real-life scenarios.
3. Improve emotional intelligence in high-stress situations.
4. Facilitate difficult conversations using structured dialogue techniques.
5. Foster positive communication in team settings.
6. Mediate disputes using interest-based negotiation.
7. Recognize the role of diversity and inclusion in conflict.
8. Utilize the Thomas-Kilmann Conflict Model effectively.
9. Develop active listening and feedback delivery techniques.
10. Address toxic behavior and bullying in the workplace.
11. Enhance collaborative leadership during conflict situations.
12. Implement policies to support psychological safety.
13. Create a conflict management framework for your team or organization.
