

Training Course on Strategic Human Resource Management

Professional Development Training Course Outline

Category	Information Technology	Duration	10 Days
Base Fee	\$3,000 USD	Delivery Mode	Online / On-site Hybrid

Course Introduction

In today’s rapidly evolving business environment, Strategic Human Resource Management (SHRM) plays a pivotal role in aligning HR practices with organizational goals to drive long-term performance and innovation. Training Course on Strategic Human Resource Management offers an in-depth understanding of how HR strategies can be developed and implemented to gain competitive advantage. With a focus on talent acquisition, workforce planning, performance management, and organizational culture, learners will acquire the tools to navigate the complexities of human capital in modern enterprises.

By integrating key trends such as AI in HR, HR analytics, remote workforce management, and DEI strategies, this course equips HR professionals and business leaders with the skills to think strategically and act decisively. Whether you are looking to optimize employee engagement or enhance organizational agility, this program provides a roadmap to HR transformation in the digital age.
